been provided, has created the ability for us to use powers and use new and existing powers to be able to properly deal with the demonstration to ultimately bring it to an end, without the authorities that have been provided to us through these pieces of legislation. We wouldn't be able to doing the work we are today.

And then CBC reported that it was "unclear" if these authorities were used.

Hmmm let me track that down might call the desk

We should be echoing loudly.

The above posted quote was what you were thinking

Exactly. Thanks
